BLUE DOG of the Month

Have a Blue Dog?

"Cassie is a 3 year old rottie who loves to have fun and pose for the camera. As you can see, she is all decked out for the upcoming 4th of July holiday. She will be drooling as she smells the aroma of hot dogs and burgers cooking up on the grill and then for dessert eating some of her favorite treats, any of the Blue Dog Bakery cookies. Cassie is a sensitive and loving companion whose goal in life is simply to be with people." Susan, Somerset, MA

Congratulations, Cassie -- you're our July Blue Dog of the Month!
