## BLUE DOG of the Month

"This is a picture of my little, 3-month old Rottie, Dakota. She loves to pose for the camera and is anxiously awaiting Halloween so she can get more of her Blue Dog Bakery Treats. She has already requested the "Doggie Paws" from all the neighbors because that is the treat she likes best. Dakota is such a sweet and loving girl who enjoys playing with her big sister, Mis Cassie." - Susan

Congratulations, Dakota -- you're our October Blue Dog of the Month!
