BLUE DOG of the Month

Have a Blue Dog?

"Minnie is spunky 4 year old English Bulldog who makes up for tiny size (33 lbs) with a lot of attitude. Her ideal day is walking to the kids playground and running in the woodchips. We literally have to carry her away. She is also passionate about sticks, tennis balls (sometimes don't fit in her mouth), and sleeping upside down. Also, after years of trying, she finally learned to roll over- thanks to her love of the Blue Dog treats!" - Eric & Michele

Congratulations, Minnie -- you're our September Blue Dog of the Month!

Submit your dogs' photos to bluedog@bluedogbakery.com. Include a dog bio (100 words or less), your name and city to be considered for Blue Dog of the Month. If your photo is chosen we'll send you a free case of dog treats - YUMMY!
