

Happy Holidays from Blue Dog Bakery

Happy holidays to all of you. This is a very busy time here, but we wanted to take a moment to thank all of you for your unending support and comments. We love hearing from so many of you during the year. It really does help us get through all the long days. Some of you have been email friends for over 10 years. We have celebrated births and new members of our families. We have cried together at the losses of our dear buddies as they leave us.

I get more holiday messages from our Blue Dog friends than I do from my family and friends. I love it! So, during these difficult times be sure to give those pals of yours an extra big hug, a leisurely long walk, a good belly rub and lots of thanks.

Best always and happiest of holidays,

Margot

JUST SO YOU KNOW...

We received a lot of concerned emails regarding this picture from last month's email.

To put your mind at rest:

First, this is NOT a live dog.
Second, this is NOT a stuffed dog.

This is just a TOY dog attached to the tailgate of this truck as a sight gag.

Hope you can rest easily now.

Margot

## Baby Moose

~~~~~

A baby moose was in distress in a creek. A man got him out of the creek; tried to find the mother & send him on his way, but eventually the moose stumbled back into the creek & was rescued again. The baby moose followed the man home.

The man has only a small cabin so he took the moose to another neighbour, who took these photos. They took the moose the next day to a woman who looks after wild animals & she put it in a pen with a rescued fawn.

Happy holidays!!!
