Here comes the sun!

Getting ready for summer is an exciting time of year for us here at Blue Dog Bakery. In June, the sun starts to come out more often, which means longer walks with our canine friends and more time to play outside. Time moves fast, and I have included a short video of Dunder

growing from eight weeks to one year to remind us how quickly time flies.

May was packed with events, and I have included a couple of photos from each to show you what we have been up to. There are two events in June where you can find Blue Dog Bakery, where we will be passing out On-the-Go packs, coupons and maybe even a Blue Dog T-Shirt! Swing by with your pooch if you are in the neighborhood.

Give those dogs a big hug from me.

## Congratulations to Skipper & Schooner!

Congratulations to Skipper & Schooner -- our June Blue Dogs of the Month! To see their winning photo and read more about them, check out our [Blue Dog of the Month](#) feature.

Thank you to everyone that submitted photos for Blue Dog of the Month - June! We think every dog is a winner, so find your photos on our [website](#) or our [Facebook page](#).

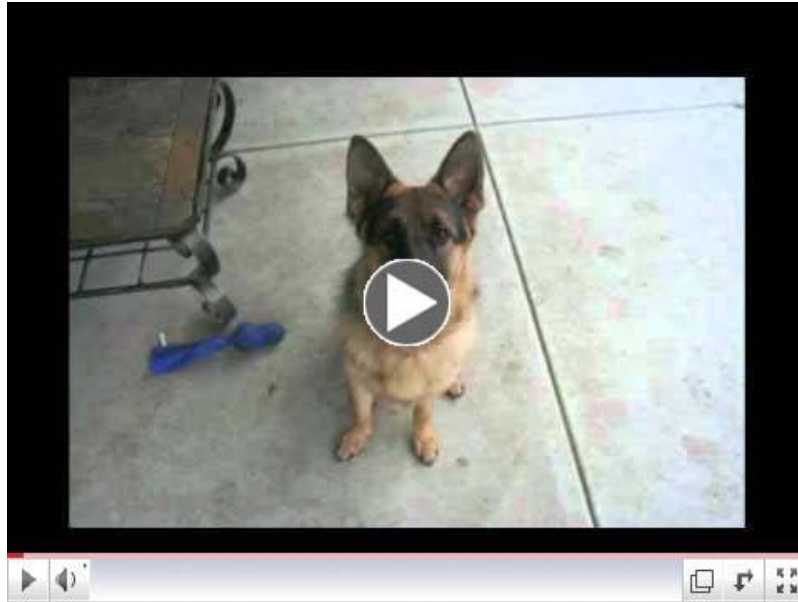

Submit your dog to be the Blue Dog of the Month by e-mailing us a photo, your first name, hometown and a few sentences telling us what makes your dog special. *(Note: Dogs only please)* Even if your dog isn't chosen, we will post your photo on our website to show the world how cute s/he is!

We chose from each pool of photos submitted on a monthly basis -- so please re-send your photos each month if your pooch is not chosen.

## Growing up too fast..

Just like kids, it seems that puppies grow up too quickly. It was only yesterday that they were a mini, fluffier version of themselves, and it's near impossible to remember where the time went.

Below is Dunder, whose puppy-parents thought ahead and started a photo montage of him growing from eight weeks to one year old. It is a guaranteed smile, if nothing else.

## Where in the world is Blue Dog?

This month, you can find Blue Dog Bakery at two events - on either side of the country. First, we will be in Lancaster, MA for the Whisker Walk. Held at the Lancaster Fair Grounds, the event is free for the whole family (dogs included!). There will be vendors, rescues, entertainment - needless to say, there is plenty to do!

Next up, we will be at the Seattle Animal Shelter's Furry 5k, at Seward Park. You can run it - or walk it - with your furry, four-legged companions. The run/walk benefits the Help the Animals fund...what a great way to spend a (hopefully) sunny Sunday morning!

Photos, photos, photos! As promised, here are photos from the month of May. Packed with tail wags, licks and lots of treats!

May 7th:
