

October 2008

Howdy from Blue Dog Bakery

Why dogs bite people:

Happy Halloween!

Oh the humiliation in that poor dog's eyes. I wonder how our dogs would dress US if they could? Have fun out there this year, keep the chocolate to yourselves, not near your pup.

Margot

"A Little Help From Our Friends"

We are meeting with Winco next month and would love to hear from you if you would like to be able to purchase our treats from their stores in WA, ID, NV, CA and OR. Please email me asking to be able to find our treats at Winco and include what town you live in or which Winco you shop at. They bring in new items based on the amount of customer requests they receive.

Thanks for your help. Margot

## **A PET'S TEN COMMANDMENTS**

1. My life is likely to last 10-15 years. Any separation from you is likely to be painful.
2. Give me time to understand what you want of me.
3. Place your trust in me. It is crucial for my well-being.
4. Don't be angry with me for long and don't lock me up as punishment. You have your work, your friends, your entertainment, but I have only you.
5. Talk to me. Even if I don't understand your words, I do understand your voice when speaking to me.
6. Be aware that however you treat me, I will never forget it.
7. Before you hit me, before you strike me, remember that I could hurt you, and yet, I choose not to bite you.
8. Before you scold me for being lazy or uncooperative, ask yourself if something might be bothering me. Perhaps I'm not getting the right food, I have been in the sun too long, or my heart might be getting old or weak.
9. Please take care of me when I grow old. You too, will grow old.
10. On the ultimate difficult journey, go with me please. Never say you can't bear to watch. Don't make me face this alone. Everything is easier for me if you are there, because I love you so.
